

---

The mission of CCTYF is to develop leadership skills, positive character traits and lifelong values in children and families through participation in organized sports, meaningful involvement in community service and emphasis on striving for above-average scholastic achievement. We humbly request your financial and in kind sponsorship to supplement our youth in their quest to represent you in our local and regional community.

CCTYF will use 100% of your generosity to operate our programs (league and player registration fees, equipment, field and court maintenance, umpires, etc.), to provide scholarships to children who cannot otherwise afford to participate, and to support activities directly related to building a program that demonstrates stewardship, charity, sportsmanship and community spirit.

We thank you in advance for supporting the youth of our community!

Please donate online at [www.titansfoundation.org](http://www.titansfoundation.org) or complete this form and mail it, along with your contribution, to the address above. Make checks payable to **Clark County Titans Youth Foundation** and contact our President and Sponsorships Coordinator, Darin Henry: (360)931-5951, [sponsorships@titansfoundation.org](mailto:sponsorships@titansfoundation.org).

**Legend Sponsor** **\$2500**

Legends establish a legacy of value that is remembered and cherished. A sponsorship at this level enables our organization to engage in the fundamental necessities of competition, allowing us to focus on building young leaders through sport, charity, and social stewardship.

**Hall of Fame Sponsor** **\$1500**

Hall of Famers have extraordinary skills, but also a relentless drive to improve both personally and athletically. A sponsorship at this level affords teams the opportunity to participate in a regional event.

**Championship Sponsor** **\$1000**

Champions seek more than being first: they strive for strong character, irreproachable behavior, and untarnished honesty. A sponsorship at this level pays for officiating fees to ensure that safe, high quality play is achieved for an entire season.

**MVP Sponsor** **\$500**

Players are valued as much for their ability to raise the level of play in their teammates as for their individual skills. A sponsorship at this level assists teams with expenses for training and travel.

**Elite Sponsor** **\$250**

Elite players work hard with contagious energy, enthusiasm, discipline and confidence. Sponsorships at this level combine to fuel the development, growth, and success of our players, teams and programs.

**Sponsor** **\$150**

A sponsorship at this level funds a single player for an entire season, covering all league and uniform fees!

**Booster Club** **\$100**

Donations at this level contribute to providing access to quality athletic facilities and equipment.

**Fan Club** **\$50**

Coaches know that every play counts. The Titans score with every donation at this level!

**Donation in Kind**

If you or your company would like to donate a line of products that help the teams on the field or through fundraising activities, we would be very appreciative! And, it's a great way to get your name out in front of folks!
